

**COOPERATING WITH GOD - 3**  
**JUNE 27, 2018**

**REVIEW:**

**CONTINUE: JAMES 4:3**

Prayer is the same way, these people failed to receive from God because they asked amiss. The Greek word for amiss means bad, wrong or inappropriate. Strong's concordance defines it as "inner malice flowing out of a morally rotten character." Their motive for asking was bad, wrong or inappropriate.
