

PRAYING EFFECTIVELY

JANUARY 23, 2019

1 KINGS 18:21

The Israelites were guilty of trying to serve two masters – Baal and Jehovah. Baal worship had no regard for morality. Thinking he was Jehovah's last prophet who didn't compromise, he set out to accomplish three objectives.

1. Bring down the stronghold of Baalism: Empty religion.
2. Rebuild the Altar of Jehovah: Restore true worship.
3. End Israel's spiritual drought: Revival.

How, what program could he use to persuade the people. What weapons could he use to defend himself?
