

**ABOUT THE HOLY SPIRIT – 3**  
**OCTOBER 2, 2019**

**REVIEW:**

- He is the divine agent at work in the earth today.
- To blaspheme Him is dangerous. **MARK 3:28-29**

**CONTINUE:**

**ACTS 5:1-6**

- **V1** – They were under no obligation to sell their property.
- **V2** – This was a premeditated act, not a pressured one. They laid it at the Apostles feet as an act of devotion to God. They were professing to give their all to God.
- **V3** – Peter could only know this by revelation. God made it known to him. It was an instance of enormous wickedness.
  1. “Why hath Satan.” Great deeds of wickedness are traced back to Satan. **LUKE 22:3** Satan influenced Ananias to deceive the Apostles and keep back part of the money. He yielded. He should have followed **JAMES 4:7**.
  2. Filled thine heart. The heart is full of a thing when he is intent on it. When he is strongly impelled to it; or fully occupied with it. He was excited to do it.
  3. To lie to. To attempt to deceive, by keeping back part of the price and pretending to bring it all.
  4. The Holy Ghost. The offense was committed against the third person of deity. **ACTS 5:9** The sin was so great that judgment fell immediately on both. When one attributes His work to the devil, it’s a sin against His office. When one sins against His office of convicting and renewing the heart, they sin against His influence.
