

THE FIGHT OF FAITH – 3
FEBRUARY 23, 2020

REVIEW:

- Faith is a fight with words.
- With words we resist Satan, overcome the world, and control the flesh.
- Words of unbelief kept the Israelites out of Canaan's land.
- Words of faith got Joshua and Caleb into the land: "well able."
- The Moses generation were complainers.
- God gave them what they spoke in His ears.

1 CORINTHIANS 10:10-11, HEBREWS 4:1-3

- Their experience was written for our benefit. So we don't make the same mistakes the Moses generation made; so we follow the example of the Joshua generation. **JOSHUA 2:8-11 (NLT)**

THE JOSHUA GENERATION

JOSHUA 1:1-2 – The Moses generation failed, now Moses is dead. Now it's time to get moving.

JOSHUA 1:3 – God doesn't change, what He said to Moses, He said to Joshua. He gave them the land.

JOSHUA 1:8 (KJV, NLT) – The bible is our book of instruction that reveals God's ways and thoughts.

JOSHUA 1:5-7, 9, 18 – We must be strong to face our fears and overcome the obstacles that will hinder our success.

JOSHUA 1:10-11 – A command is not a suggestion. Get prepared to possess the land. God's promises don't happen by sitting and wishing. God gave it, now go get it.

JOSHUA 3:14-17 – Jordan was at flood stage. It was impossible to cross there. Jesus was baptized where they crossed. The water stopped at Adam's bridge upriver. The second Adam made a new bridge. The Ark got in the water, the water rolled back, the Ark represents the presence and power of God.

ECCLESIASTES 11:4 (NKJV, NIV, MSG) – If we only look at the impossibilities we face, we'll end up like the Moses generation. If we look at God's Word, power and provision, and act accordingly, we'll end up like the Joshua generation.

PREPARING TO POSSESS THE LAND

V13-14 - Know we're not alone.

JOSHUA 6:

V1-2 - Know God has already given us the land.

V3-5 - Obey God even if its illogical.
