

WEDNESDAY FAITH & HEALING CLASS

SEPTEMBER 15, 2021

PR. 3:5-6

- 1.) "When I heard my doctor say there is no **CURE**, I turned to **GOD** for my healing". Gertrude Ticer
 - A.) **IS. 38:1-5** Hezekiah **TURNED** exclusively to God when told by the prophet to set his **HOUSE** in order. Hezekiah **TURNED**, **PRAYED** and **WEPT**. God **HEARD** his prayers, **SAW** his tears and **ADDED** fifteen years to his life.
- 2.) "Learning how to **ACCEPT** my healing was a long **PROCESS** as God patiently **DEALT** with me through His Word".
 - A.) **LUKE 5:17-24** His **SIN** had to be dealt with first.
 - B.) All the qualifications she **LACKED** came under one heading, **UNBELIEF**! She had to learn **HOW** to believe.
 - C.) She had to learn to put Jesus first. **LAY ASIDE** many things, including other gods, not **LOVING** her neighbor enough, and not **FORGIVING** fully.
 - D.) The woman with **BITTERNESS** had to put it away before healing came. The woman with **PRIDE** had to humble herself before her healing came. **IS. 59:1-2.**
- 3.) "I asked God where I had **LIMITED** Him. As He continued bringing scripture to my memory, I realized **I** was keeping Him out of the **PRESENT**."
 - A.) **PS. 78:40-43** The unlimited abilities of our God can be limited as far as what we **ALLOW** Him to do for us in life.
 - B.) It wasn't until she received her diagnosis that she began **READING** and **STUDYING** about healing in the Bible.
 - C.) One way she limited God was not knowing how to **ACCEPT** healing, she didn't know she had to **DO** something.
JOHN 9:5-6 Go wash! **ROM. 4:17**
 - D.) Another way was her **UNBELIEF**. "Lord, I don't have any unbelief, " she said!" He **SHOWED** her and she said "Help my

unbelief." **JOHN 3:16** tells us believing, not **AGREEING** is required for salvation.

E.) Another way was putting her healing in the **FUTURE**.

2 COR. 6:2 If **NOW** is the appointed time for salvation, then **NOW** is the appointed time for healing.

F.) Another hindrance was not **LOVING** people the **AGAPE** way.
1 JOHN 3:18-24.

G.) Another way involved her **ATTITUDE**. **ACTS 9** Saul had to **SUBMIT** to God's way, not his way. His way got him blind, God's way made him whole. **PHIL. 4:13** She had to learn to **LOOK** to God, not herself. There is no **"I"** in God's alphabet!

4.) "Now I can see the Cross. My **PHYSICAL** sight had given way to my **SPIRITUAL** sight".

A.) When she talked about what Jesus did in the Gospels, she was talking about the **PAST**. When she said God was going to heal her, she was talking about the **FUTURE**. Never did she realize God is the "I **AM**", not, "I **WAS!**"; or faith is **NOW**, not in the future.

B.) She came to realize she is **FORGIVEN**, not going to be forgiven. She is **HEALED**, not going to be healed, and it was up to her to do her part to make it happen.

5.) "Lord, I believe. I will accept this healing for myself and **NOW**, Lord".

A.) She accepted Jesus as her **SAVIOR**.

B.) She accepted the **BAPTISM** in the Holy Spirit.

C.) The **MESSAGE** was made clear, the **METHOD** was to receive her healing by faith; the **MOMENT** came and she accepted her healing" now!"

D.) She was ready to **DECLARE** the works of the Lord. **PS. 118:17**

6.) When we ask the Lord to help our unbelief, are we **SINCERE** and open to whatever it is that He calls for us to **CHANGE** or **ADDRESS?**

A.) Pride.

B.) Bitterness.

- C.) Forgiveness, self and others.
- D.) Love walk.
- E.) Vision.
- F.) Murmuring.
- G.) Study healing.
- H.) Unbelief.
- I.) Impatience.
