

WEDNESDAY FAITH & HEALING CLASS

OCTOBER 13, 2021

GENESIS 8:22

The only part of this verse we have control over is **SEEDTIME** and **HARVEST**. Whatever fruit we desire, we must sow the **APPROPRIATE** seed.

MARK 4:14

The Word is the seed. If we desire salvation, healing or anything else, we must sow the appropriate **SEED**.

1 CORINTHIANS 3:6-9

- 1.) One plants, one waters, but **GOD** causes the seed to grow. The seed is **POWERLESS** until planted. Once planted, it has the **POTENTIAL** to produce fruit of its own kind. **PRAYER** is not the seed, the **WORD** is!
- 2.) Apolos **WATERED** the seed. Every planted seed needs water, or it will **WITHER** away.
 - A.) God's Word always grows when **SOWN** in good soil and **WATERED**.
 - B.) Good Soil: **MT. 13:23; MK. 4:20; LUKE 8:15** understands, receives and protects the Word. If the **SOIL** is good, the incorruptible **SEED** will produce fruit.
 - C.) Bad Soil:
 - * **HARD** - the seed can't take root.
 - * **STONY** - the seed takes root, but withers.
 - * **THORNY** - the seed takes root, but is choked out.
- 3.) God gives the **INCREASE**. So what causes God to show up?
 - A.) **PS. 118:21** - **PRAISE** brings God on the scene.
 - B.) **PS. 22:3** God **INHABITS** our praise.
 - C.) **PS. 50:23** Praise **GLORIFIES** God.
 - D.) **2 CHRON. 5:11-14** Purified, sanctified and **UNIFIED**.
 - E.) **2 CHRON. 20:21-22** God **FOUGHT** for them.
 - F.) **JONAH 2:9-10** The **SACRIFICE** of praise.

G.) ACTS 16:25-26 **PRAYER** took the problem to God, and **PRAISE** brought God into the problem.

4.) T.L. Osborn - "Mr. Osborn, do you believe I must have faith? Don't you think I could be healed through your faith? Answer: "There is no doubt but that being healed through another's faith is the scriptural **EXCEPTION**, not the rule. I would advise you to abide by the **RULE** rather than by the exception. You will never walk in this **VICTORY** as long as you are depending on the faith of another."

5.) The Message, Methods and Moment

A.) The **MESSAGE** never changes.

B.) The **METHODS** are many.

C.) The **MOMENT** is when one is totally convinced and fully persuaded he has received from God without any physical evidence.

6.) Five A's.

A.) **ADMIT** the natural report.

B.) **ARM** ourselves with the Word.

C.) **ASK** what we want from God.

D.) **ACTIVELY RESIST** negative thoughts and contradictions.

E.) **ASSOCIATE** with people of like precious faith.
