HEB. 3:17 - 4:2

- Unbelief is the official reason why the Israelites were denied entrance into the promised land. They refused to mix faith with the word preached to them.
- Warning: Not mixing faith with the Gospel message prevents its benefits from manifesting in one's life.

A Look At Faith

Mark 11:23

- Faith involves the heart and mouth. We believe from the heart what we say will come to pass. Caleb brought back word as it was in his heart. He wasn't echoing someone else's faith.
- Faith says what God says. It's rooted and grounded in the promise of God. It's not manipulating God with words or giving voice to selfish desires (**HEB. 13:5-6 AMPC**). Every "we may say" must be rooted in what "He has said".
- **NUM. 23:19** What did God say? **EX. 23:20-23 NLT** Caleb believed God would do what He said.
- **ROM. 10:8-10** The Word of Faith involves the heart and mouth. Saying what God says completes our faith. Salvation (Soteria) means deliver, health, safety and rescue.

The Joshua Generation

The Moses generation failed to enter due to unbelief. The Joshua generation entered the land by faith. What did Joshua teach the people to get them from unbelief to faith?

- **JOSH. 1:1-9 NLT** God's charge to Joshua.
- **JOSH 1:16-18 NLT** The people respond to Joshua's charge to them.
- **JOSH. 6:8-11 NLT** The instructions include "don't even talk".

A.) **HEB. 1:14**

A.) **2 PET. 1:2-4**
- 7.) Obey God, even if it's illogical (**JOSH. 6:3-5**).
A.) **MARK 11:23, LUKE 17:5-6** How logical is it to speak to a mountain or a tree?
Whatever the obstacle or challenge, we've been instructed to release our faith with words, expecting God to back up His words with results.

CONCLUSION: It's shouting time!
