

# CREATING AN ATMOSPHERE

MARCH 15, 2023

**INTRO:** God is moving by His spirit globally. He's looking for individuals and churches willing to set aside their plans in exchange for His. Our Wednesday night service is dedicated to this purpose. Individually and collectively we want what God wants. We're here to create an atmosphere for God's presence and power to manifest.

## Individually

- 1.) Make sure our heart is right with God and others (**MK. 11:25 NLT**).
- 2.) Focus on being before the throne (**HEB. 4:16**).
- 3.) Worship out of deep love (**JOHN 4:23**).
- 4.) Use our faith (**HEB. 10:21-23**).
- 5.) Honor God with our prayers (**1 JOHN 5:14-15**).
- 6.) Be open to the spirit (**JOHN 16:13**).

## Collectively

- 1.) Wait upon the Lord (**IS. 40:31**).
- 2.) Decree the Word (**JER. 1:12**).
- 3.) Participate and engage (**1 PET. 4:10**).

**Conclusion:** God is moving. Hurting people are in need of what the church has to offer. We all have something to offer. When we all take our place and do our part, the church will create an atmosphere in which God's presence will manifest and His will will be done!
