

SACRIFICE, FIRE, GLORY

MARCH 22, 2023

- 1.) Sacrifice, Fire, Glory: **2 CHRON. 7:1-3**
 - A.) Our desire is for God to pour out His spirit, manifest His glory and demonstrate His power among us.
 - B.) Does God need to release more fire or do we need to add more fuel to the divine flame?
 - C.) **LEV. 9:23-24** When Moses set-up the tabernacle and followed God's instructions for sacrifices, a holy fire came out from God and consumed them. Preparation was made by human hands and fire was kindled by a divine flame. This reveals the law of divine and human cooperation.
 - D.) **LEV. 6:13** It was the responsibility of every priest to keep the fire alive and burning. They were to watch over it, cherish it, and provide the fuel necessary to make it a permanent flame.
- 2.) Sacrifice, Fire, Glory in the New Testament.
 - A.) The Sacrifice (**ACTS 1:14**).
 - B.) The Fire (**ACTS 2:1-3**).
 - C.) The Glory (**ACTS 2:4**).
- 3.) Keeping the fire alive and burning. (**ACTS 2:46-47**).
 - A.) **1 PET. 2:5** We are to offer spiritual sacrifices.
 - B.) **HEB. 13:15** Continual praise is an acceptable sacrifice.

Conclusion:

Our part is to offer acceptable sacrifices. Gods' part is to provide the holy flame. So let the sacrifices be made, let the fire fall, and let the glory fill the house of God.
