

(THANK YOU)

APRIL 26, 2023

For our nation to be under a great spiritual awakening and your hand to sweep across the spiritual, social, political, economic, and moral scenes of our land.

- For staying your hand of judgment and extending your hand of mercy over America for the righteous sake.
- For moving upon the hearts and minds of our government officials and political leaders, influencing the laws that are made, and removing from office those who rebel against you and replacing them with those who will honor your word.
- For your consciousness never to be removed from America.
- For protecting those in our armed forces from harm's way and our borders from acts of evil and terror.
- For every evil trap, snare, and plan assigned over our cities and nations to be uprooted, blocked, and destroyed.
- For your will to be done on earth as it is in heaven and for your glory to fill the earth and fall upon us like rain.
- For grace, mercy, truth, peace, and love to fill every heart and to reign over our assembly and the body of Christ globally.

ISRAEL

- For antisemitism to end and for everyone to value and understand the Jewish people the way God does.
- For Gentile believers to live lives that provoke Israel to jealousy.
