

WALKING IN THE TRUTH

DECEMBER 6, 2023

3 JOHN 2-4

The foundation for our walk with God is truth. God's greatest joy is that His children walk in truth. What is truth? God's Word is truth. Truth was made flesh and dwelt among us. Jesus is the truth. The Spirit was sent to guide us into all the truth, so we could walk in it. What joy it must bring to the Father to hear us say we exalt His Word above our feelings, emotions, and circumstances. The Bible is the most amazing book ever written. It contains: The mind of God (we don't have to guess what God's thinking); the way of salvation (Jesus); the doom of sinners (the Lake of Fire); the joy of believers (eternal glory).
