

IT'S ALL ABOUT LOVE

JANUARY 24, 2024

What's the goal of revival? Is it not to make alive something that was in danger of being weakened or lost? Is it not a restoration of spiritual fervor?

God wants all of us. He wants our love, loyalty, obedience, surrender, commitment, consecration, and dedication. He wants to revive in us a love that makes us zealous to pursue Him with greater desire and enthusiasm, and to move out from complacency and mediocrity, and into actively pursuing spiritual excellence.

It's All About Love SOS 8:6-7 NASB

- Individually, how deep is our love for God? **PS. 63:1-3 NLT**
He proved His desire for us by dying for us. He held nothing back. He expects the same from us.
- How authentic is our love for God's Word? **JER. 15:16 NLT**
- Husbands, how deep is our love for our wives? **EPH. 5:25-39 NLT**
- Wives, how strong is your love for your husbands? **TITUS 2:1-4 NLT**
- Parents, do we love our children enough to fulfill **DEUT 6:4-9 NLT**
- How genuine is our love for the brethren? **ROM. 12:10 NLT**
- How real is our love for our enemies and the lost? **JONAH 4:1-5 NLT**

REMEMBER, REPENT, REPEAT

Jesus didn't say to wait until you get the feelings back. He said to remember how it was and repent for allowing our love to diminish and start doing what you did before. This is done by faith, not feelings!
