

INFUSED TO BE USED

MAY 29, 2024

INTRO: When God wants to get people's attention and promote His cause, He often times will use signs and wonders to do so.

Moses

God called Moses to deliver His people out of Egyptian bondage. Moses was apprehensive to go, so God used signs to convince him. First, He used the Rod (**EX. 4:1-5**). Second, He used leprosy (**EX. 4:6-8**). Last, He used water from the Nile (**EX. 4:9**). The purpose of these signs was to encourage Moses and convince the Israelites (**EX. 4:29-31**).

Pharaoh

Supernatural signs brought down Pharaoh and the Egyptian empire. **EX. 12:30-32** Sadly, it took death to break through Pharaoh's heart.

Israelites NUM. 14:11-12, 22-23

The many signs God did among His people could not convince them to trust His Word. Their unbelief brought judgment upon them.

Jesus ACTS 2:22

Approved by signs and wonders, but never took credit for anything He said or did (**JOHN 5:19-20, 12:49**). Infused and used by God.

Jews MT. 12:38-41

They refused to accept any of the many signs Jesus performed as coming from God. They actually said His signs were Satan-inspired. Their sign would be His death, burial, and resurrection.

Disciples JOHN 14:12-14

Knowing they would be challenged as Moses was, and He was, Jesus instructed them to use His Name and demand what is theirs and He would do it.

All Believers MK 16:15-20

There is no greater sign than the Resurrection.

Paul's Prayer EPH. 1:15-23

For wisdom, revelation, understanding, comprehension of what we have.
