

THE LORD'S SUPPER

JULY 7, 2024

INTRODUCTION:

There are four questions to ask ourselves when studying scripture.

- 1.) What does God want me to know? Information
- 2.) What does God want me to receive? Impartation
- 3.) What does God want me to be? Transformation.
- 4.) What does God want me to do? Application.

Remembering Jesus – 1 COR. 11:23-31

1.) Past, Present, Future.

A.) Past: The death of Jesus. We remember His sacrifice.

B.) Present: How does what He did impact my life? Does it change my way of living? Does it move me to humble myself and surrender my will? Does it move me to exchange my plans for His. What about my thinking?

C.) Future: He's coming again. Why? To rapture the Church, for the salvation of Israel, and to set-up His earthly kingdom on Earth.

2.) My participation.

A.) The Blood provides remission of sins.

B.) The Body provides bodily healing, soundness of mind and strength to live the Christian life.

Conclusion: GAL. 2:20 What Christ did for us could not have been done by any other being in all the universe. Only He is worthy of all our praise. Our lives in the flesh are to be lived by faith in all that Christ did to reconcile us back to God. We owe it to Him to love as He loved us and lay down our lives for one another. **1 JOHN 3:16**
