

TRUE WORSHIP

JULY 24, 2024

JOHN 4:23-24

- 1.) Devoting our entire being to God, spirit, soul, and body.
 - A.) Spirit: **LUKE 1:47** When born again, we experienced an impartation of God's life, character, and love nature. This experience of ultimate reality with our creator causes changes in our attitude and perspective.
 - We experience unspeakable joy; overflowing gratitude.
 - We see everything through different eyes: God, His creation, people, animals, and all creation.
 - B.) Soul: **PS. 103:1** We pursue truth that renews our minds and enables us to worship God with our thoughts, intellect, and decisions.
 - **PS. 34:1-4**
 - C.) Body: **PS. 47:1** Clapping and shouting are encouraged.
 - **PS. 95:6-7** Bowing down and kneeling also.
 - **1 TIM. 2:8** Lifting holy hands.
- 2.) A true worshipper is one who knows life is to be lived in the Holy of Holies.
 - A.) Outer Court – worship from afar, fleshly dominated.
 - B.) Inner Court – Our renewed minds remove feelings of inadequacy and unworthiness or whatever hinders our entrance into the most holy place.
 - C.) Holy of Holies – People of vision and spiritual perception know they belong there and take advantage of it.
 - They cease from doing it their way.
 - They breathe in the ever-fresh, invigorating air of the holiest place, and are renewed in power and strength.

Conclusion: It's within the veil, where the highest degree of worship takes place. We humble ourselves and God exalts us.
