

# FAITH IN HIS NAME

## FEBRUARY 25, 2026

### INTRO:

Charles Spurgeon testimony about a woman who was living in poverty while having a framed slip of paper on her wall that entitled her to a large sum of money from a man she cared for before his death.

#### ACTS 3:1-10, 16

- The early church knew more about the power of attorney to use Jesus' Name in prayer, to minister healing, to cast out devils and get people Spirit-Filled than the modern church of today.
- Peter understood it and 5,000 were saved as a result, **ACTS 4:4.**

#### ACTS 8:5-8, 12

- Philip preached it, and the results were outstanding. Most importantly, many were saved and Spirit-Filled.

#### ACTS 4:7-18

- Satan couldn't stop them, so he set out to stop future generations from teaching about the power of Jesus' Name to cast out demons, heal the sick and get people Spirit-Filled.
- **MK. 16:15-18** Some refuse to recognize these verses at all.

#### Paul's Revelation

- **PHIL. 2:9-11** By bestowal, inheritance, and conquest. Bestowal means to confer as a gift or honor. Jesus was given a Name that every being in all three worlds must bow to and confess His Lordship. **LK. 11:21-22** By conquest, or to achieve control of another's territory through war,  
**COL. 2:16, MT. 28:18, REV. 1:18.**
- **HEB. 1:1-5** By inheritance, or to transfer assests to another. When?  
**ACTS 13:33** says when He was begotten at His Resurrection.

**CONCLUSION:** Faith in the Name of Jesus comes by meditating these truths until they become more than a message understood intellectually. Faith is of the heart, not of the head!
