

# THE BLOOD APPLIED

APRIL 12, 2026

## LEV. 14:14-18

- Out text deals with the cleansing of leprosy. The leper wasn't considered clean until the blood was applied. Once applied, the priest would put oil on top of the blood. Oil being a type of the Spirit.
- We could say the Spirit: Answers to, witnesses to, testifies to, honors and waits for the blood to be applied. First the blood, then the oil.
- No blood: No salvation, no justification, no deliverance, no sanctification, no anointing, no power, no protection, no Passover.

## JOSHUA 2:18

- Rahab's entire family was saved from sure destruction when she hung a scarlet thread from her window.
- **EX. 12:23** The Israelites were protected from the death angel when they applied the blood to the top and sides of their door posts.
- **JOHN 6:53-56** The Bible is a bloody book. The Gospel is a bloody Gospel. We are washed in the blood, sanctified by the blood, justified by the blood, redeemed by the blood, protected, delivered, healed, and forgiven, all by the blood. **HEB. 9:12-14, 22-24.**

### First the Blood, then the Power

**ACTS 2:1-4** These 120 were washed in the blood first, then filled with Holy Ghost power.

- The pathway to power is soaked in blood. If we desire power, we must first apply the blood.
- **REV. 12:11** No blood, no power. Our churches don't need Hollywood theatrics – smoke and mirrors, pageantry—they need to apply the blood.
- The only safe place is under the blood. Death came to every house that wasn't under the blood. It doesn't matter if the house is red, yellow, black, white, Mexican, Italian, Chinese, Japanese, a schoolhouse, religious, or political house. The only safe place is under the blood, **REV. 5:9-10.**

- Death will come to all people groups that haven't applied the blood. There isn't enough military power to keep us safe in our country, churches, houses, or schools. Only the Blood of Jesus can keep us safe.
- We may be covered by Allstate, Nationwide, State Farm or Erie, but we're not really safe and totally insured until we're covered by the blood.

### **Pentecostal Power**

- The only way to get power is by applying the blood: No Cross, no Crucifixion, no Blood, no Resurrection, no Pentecost, no power.
- There's no shortcut to power: No testimony without a test; no victory without a fight; no crown without a cross.
- The devil isn't afraid of our singing, shouting, dancing, laughing, or preaching. What makes him nervous is people who honor and live by the Blood of the Lamb and are filled with Holy Ghost power.

**CONCLUSION:** The Blood's been shed and applied by Jesus in Heaven. The question is, has it been applied to our ears, thumbs, and toes—to our lives? Have we been washed in the Blood? Do we access the throne by the Blood, **HEB. 10:14-22**? It's time to apply the Blood to our lives, our homes, our government and our schools and release power from on high to destroy the work of the enemy!
