DIVINE AND HUMAN COOPERATION

AUGUST 26, 2026

INTRO: PS. 105:37

God's wonderful plan for their lives included prosperity, health and long life. To experience His desires, they had to cooperate with Him and do their part.

SOWING AND REAPING: PR. 3:

V 1-2 – Obedience, reap long life and peace.

V 3-4 – Mercy and truth, reap favor with God and man.

V 5-6 – Trusting in and acknowledging God above our understanding, reap guidance.

V 7-8 – Humility and Godly fear, reap a healthy immune system.

V 9-10 – Honoring God with our finances, reap provisions.

SALVATION: MK. 16:15-16

One must cooperate with God and believe the Gospel in order to be saved. **LK. 17:32-33**
She didn't cooperate with God.

HEALING: PR. 4:20-22

Our part is to attend, incline, think and believe; God's part is to produce life and health. Naaman was wise in his own eyes. He refused to cooperate with God at first. When he decided to cooperate, he was healed.

FAITH AND POWER: 2 THES. 1:11-12

Healing is a work of faith with power. To build faith we must know the Word (**ROM 10:17**). To have power we must know the Spirit (**ACTS 1:8**). Faith and power working together produce results (**LK. 5:17**). If we don't go to the Word for faith and the Spirit for power, we are not cooperating with God.

HEZEKIAH: 2 KGS 20:1-6, 8-11

Hezekiah's sin opened the door to sickness. He didn't blame God. He confessed his sin and poured out his heart with tears. The sign was significant. God reversed the revolution of the world to accomplish it. True repentance is necessary.

CONCLUSION:

God did more for us than reverse the revolution of the world. He striped Jesus with our sicknesses and diseases (HIS PART), so we can have faith (OUR PART) for healing.
