

THE LORD'S PRAYER

OCTOBER 7, 2026

INTRO: Scripture reveals different kinds of prayer, tonight, our focus will be on the Lord's Prayer. **MT. 6:9-13**

1. Paternal. "Our Father" Jesus used Father over 200 times in the Gospels. He said if imperfect fathers would grant their children's requests, how much more would the perfect Father ?
2. Perspective. "Who art in Heaven: He has a much better vantage point than we have. He's above all and sees all.
3. Person. "Hallowed be thy Name" His name reveals His person, Jehovah: Tsidkenu, Shalom, Shammah, Raah, Nissi, M'Kaddesh, Jireh, Rapha.
4. Priority. "Thy will be done" In the world, nation, church, Israel, Jerusalem, our families.
5. Provision. "Daily bread" Our is all inclusive. Daily bread means every necessity of life: food, water, shelter, clothing, air.
6. Pardon. "Forgive us" To pardon means to release from the consequences of a debt.
7. Power. "Deliver us from evil" Empower us to resist evil and overcome temptation. **COL. 1:13, 1 COR. 10:13**
8. Praise. "Thine is the Kingdom, power and glory" Kingdom means His reign over all creation. Power is Dunamis, omnipotence, and glory means all honor, reverence and respect belong to God.

CONCLUSION: -is found in the Amen. It means so be it. We are in agreement with all that's been said. Nothing can be more certain or truthful.
